## Bio

**Location:** Cairo / Egypt

i'm Junior Frontend Developer with a strong foundation in HTML, CSS, and JavaScript. Passionate about creating visually appealing and user-friendly web interfaces. Eager to contribute my creativity and technical skills to a dynamic development team. Proficient in responsive design principles and eager to learn new technologies. Adept at collaborating with designers and back-end developers to bring captivating digital experiences to life. Excited to leverage my problem-solving abilities and enthusiasm for clean code to deliver engaging web solutions.
